APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. It is understood that the amount of water herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the number of stock watered daily, which number be stated in the proof of beneficial use when filed. The State retains the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.0062 cubic feet per second, or sufficient to water 200 head of cattle.

Actual construction work shall begin on or before February 3, 1956

Proof of commencement of work shall be filed before March 3, 1956

Work must be prosecuted with reasonable diligence and be completed on or before February 3, 1957

Proof of completion of work shall be filed before March 3, 1957

Application of water to beneficial use shall be made on or before

February 3, 1957. Proof of the application of water to beneficial

use must be filed with State Engineer on or before March 3, 1957

JAN 28 1955

Map File No. WITNESS MY HAND AND SEAL this 3rd day
Proof of commencement of work filed MAR 1 1956

Canceled JAN 14 1958 because of failure
of applicant to comply with the provisions of permit
